32 Can Cooler Seat

- The Coolest Cooler 32 Can Cooler/Seat features three separate areas that provide: iced storage for icy cold beverages; a refrigerated storage pocket for sandwiches, cold cuts or meat for grilling; a dry storage pocket that is padded and insulated that protects electronics which can also be used for warm goods or chips and paper plates.
- This cooler holds 24 cans in the main compartment with 7 lbs. of ice and another 6 cans in the refrigerated pocket that is typically used for chilling sandwiches and cold cuts.
- The swing away lid doubles as a tray table when the cooler is placed next to your chair.
- The durable no-leak liner is tall enough for wine and 2-litre bottles and the padded lid won't crack under pressure, meaning the cooler can hold up to 450lbs. as a seat.
- The round design is more compact than typical rectangular coolers and easier to carry with the padded shoulder strap.
- Includes transfer print on cooler
- Minimum purchase is 1
- As low as $89.90 ea
